Yes I had this problem earlier this year and A. Kinsman <kinsman@crestone> posted this code which produced exactly the effect I wanted and I was very pleased indeed to get hold of it - but don't ask me how or why it works ... I'm just happy to use it...

kindly posted this code which produced exactly the effect I wanted and I was very pleased indeed to get hold of it - but don't ask me how or why it works ... I'm just happy to use it...
