## 2 Second section

First some well known English phrases in an abcedarian sentence.

This is an example of the Artificial Uncial font. Now is the time for all good men, and women, to come to the aid of the party while the quick brown fox jumps over the lazy dog.

These are two Latin abecedarian sentences dating from about DCCXC.

Te canit adcelebratque polus rex cazifer hymnis. Transzephyrique globum scandunt tua facta per axem.

This is the end of the test file, with this sentence being typeset using the Computer Modern Sans font in the point size as specified for this document.
